Rock! That's the Jing - le Bell, that's the jing - le bell Rock!

Jingle bell, jingle bell, jingle bell rock
 Jingle bells swing and jingle bells ring
 Snowin' and blowin' up bushels of fun
 Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock
 Jingle bells chime in jingle bell time
 Dancin' and prancin' in Jingle Bell Square
 In the frosty air.

What a bright time, it's the right time
 To rock the night away
 Jingle bell time is a swell time
 To go gliding in a one-horse sleigh

Giddy-up jingle horse, pick up your feet
 Jingle around the clock
 Mix and mingle in the jingling feet
 (first time;)
 That's the jingle bell rock.
 (repeat all)

(last time;)
 That's the jingle bell,
 That's the jingle bell,
 That's the jingle bell rock.

Rhythm: Rockabilly

Notes: Set; Jingle Bell Rock, Jingle Bells (Jingle Jingle)

Transition to Jingle Bells; Wayne swing in "F's"

Despite being titled a Jingle Bell "Rock", Helms' version of the song was performed in the crossover style known as rockabilly, and to modern ears it sounds a lot more "country" than it does "rock and roll".
