Down By The Old Mill Stream

1. My darling I am dreaming of the days gone by,
When you and I were sweethearts beneath the summer sky;
Your hair has turned to silver the gold has faded too;
But still I will remember, where I first met you.

2. The old mill wheel is silent and has fallen down,
The old oak tree has withered and lies there on the ground;
While you and I are sweethearts the same as days of yore;
Although we've been together, forty years and more.

Chorus: Down by the old mill stream where I first met you,
With your eyes of blue, dressed in gingham too,
It was there I knew that you loved me true,
You were sixteen, my village queen, by the old mill stream.
