Playing Notes:

- Mandolin.
- Play twice through, slow down for the final 2 bars.

"Lemonville Jig" was composed by Canadian musician Jack Hayes. The tune has entered English Country Dance repertoire from the playing of Willy Taylor, popular especially in the north of England. The village of Lemonville is in Whitchurch Township, York County, Ontario, Canada.

A contributor to the Session noted that this is "a lovely tune which loses a lot of its charm if played too quickly."
