Playing Notes: none
Second part of Ballyoran set.

The Black cat piddled in the white cat's eye,
the white cat said 'Corr Bli-mey',
The black cat said it serves you right,
You shouldn't have stood behind me!
Oh...
She jumped in bed and she covered up her head
and she swore I couldn't find her...
But I knew full well that she lied like hell
and I jumped right in behind her!
